

JPRO Sponsorship Packages

Our law enforcement officers (LEOs) need to be able to rely on great partners, both in the field and in their community. We appreciate you considering a partnership with JPRO in our work to build bridges and break down barriers between LEOs and the communities they serve.

LEOs are often there for us in some of the worst moments of our lives. They choose to serve their communities, to sometimes put themselves in harm's way, and to do it all for a paycheck that often does not make ends meet in the worst moments of their own lives. When those moments happen, JPRO will be there for them like they've been there for us. Your support means the world to us and to them!

The Steel Badge: \$250 Donation

Our steel badge sponsorship offers individuals and corporate sponsors the opportunity to earn their badge for responding like Jake! All donors at this level receive a badge. Corporate sponsors will also be recognized on our website's sponsor page, and individuals and corporate sponsors are recognized at JPRO events!

Silver, Gold, Platinum & Blue Diamond Badges

Our corporate sponsors also have opportunities to earn more recognition and visibility through additional partnership opportunities. These sponsorships can all be achieved through one-time donations or "Match Blitz". Match Blitzes allow JPRO to raise more by promoting the sponsor's match of each individual donation, and they give the sponsor some great advertisement!

	Silver \$1,000 or \$750 Match	Gold \$2,000 or \$1,500 Match	Platinum \$3,000 or \$2,250 Match	Blue Diamond \$5,000 or \$3,500 Match
